Dear Friends & Prayer Partners,

This past Sunday, the 12th of July was the Macau Bible Institute's 28th Graduation ceremony. On the attachment are 3 photos. The first photo are 3 of our church members who took the one year course of going through the entire Bible. From left to right is, Wong Siu Ming, Gong Jai and Christy.

The second photo are all those students who took the one year course and the man in the black robe and hat was their teacher.

The third photo was all the rest of the students that graduated that day, one with a bachelor degree, 4 with master degrees and two with a diploma....& they were ALL singing, "Onward Christian Soldiers"....& they sang it beautifully!

One of the speakers, an elderly retired pastor, about 80 years old, exhorted them all to continue in the faith and not to depart from the love of God. His eyes were dim and had to use a magnifying glass to read, but his heart and words touched all of us...& was such a beautiful ceremony!

We just ask for your prayers for these graduates and also for Wong Siu Ming, Gong Jai and Christy as they continue to serve the Lord in our church.

Thank you again for caring and praying!

John & Suzanna
